## CHROME METAL POLISH

9D411-8 | 8 FL OZ | 237 mL

### Product Description

PetraShield Chrome Metal Polish is a non-flammable, ammonia free polish that will remove oxidation, tarnish, water stains and minor rust while leaving the surface shiny and bright. Also safely cleans, polishes and protects most metals. (Not recommended for brass or other soft metals.)

### Features

- Non-toxic, non-flammable and ammonia free chrome polish
- Cleans, polishes and deoxidizes leaving a shiny “like new” appearance
- Formulated for chrome but also can be used on most hard metals
- VOC Compliant

For professional use only:  
No. 9D411-8 / 8 oz. / 237 mL

*Consult the Safety Data Sheet (SDS) for complete safety information, available from your local representative or our company website upon request.*
