IRON-RUST AWAY

PRODUCT DESCRIPTION

PetraShield™ Iron-Rust Away is a highly reactive, pH neutral cleaner for all types of paintwork or wheels. It is primarily used for removing set-in iron particles, such as brake dust, in paintwork and decontamination the surface from fall out. However, it also effortlessly loosens and removes stubborn grime, such as burnt-on brake dust, oil, grease, rubber residue and other road dirt from wheels, rims, hub caps and lug nuts. Turns red while fighting grime and now lower odor than ever!

FEATURES

- Removes iron deposits & contamination
- Lower smell & faster reaction
- Bleeds red as it dissolves iron fallout

BENEFITS

- Effective Iron Removal: Specifically designed to remove set-in iron particles and contamination from paintwork and wheels.
- Lower Odor: Improved formula with a lower odor for a more pleasant cleaning experience.
- Visual Indicator: Turns red as it dissolves iron fallout, providing a visual indication on its effectiveness.
- Versatile Cleaning: Effortlessly loosens and removes stubborn grime, such as burnt-on brake dust, oil, grease, rubber residue, and other road dirt from various surfaces.
