ULTRA WHEEL CLEANER

PRODUCT DESCRIPTION

PetraShield™ Ultra Wheel Cleaner is a concentrated, heavy duty cleaner and brightener formulated for chrome plate, aluminum, and magnesium wheels. This product is clear and acid based, effectively removing dirt, grease, brake dust, and road film without scrubbing. This product will not harm paint when used as directed.

FEATURES

- Clear Liquid
- Concentrated
- Acid-Based
- Cleans and Brightens
- Formulated for Chrome Plated, Magnesium and Aluminum Wheels

BENEFITS

- Ultra Wheel Cleaner cleans and brightens without scrubbing.
- Effectively removes dirt, grease, brake dust and road film from all alloy and clear-coated wheels.
